

ROGUE VALLEY FARM TOUR

FARM TOUR TIPS

Please leave pets at home.

Bring a cooler to store all the farm-fresh goods you buy.

Stay on established paths and don't pick produce without a farmer's permission.

GPS can be spotty in rural areas, please check your directions on a map before heading out.

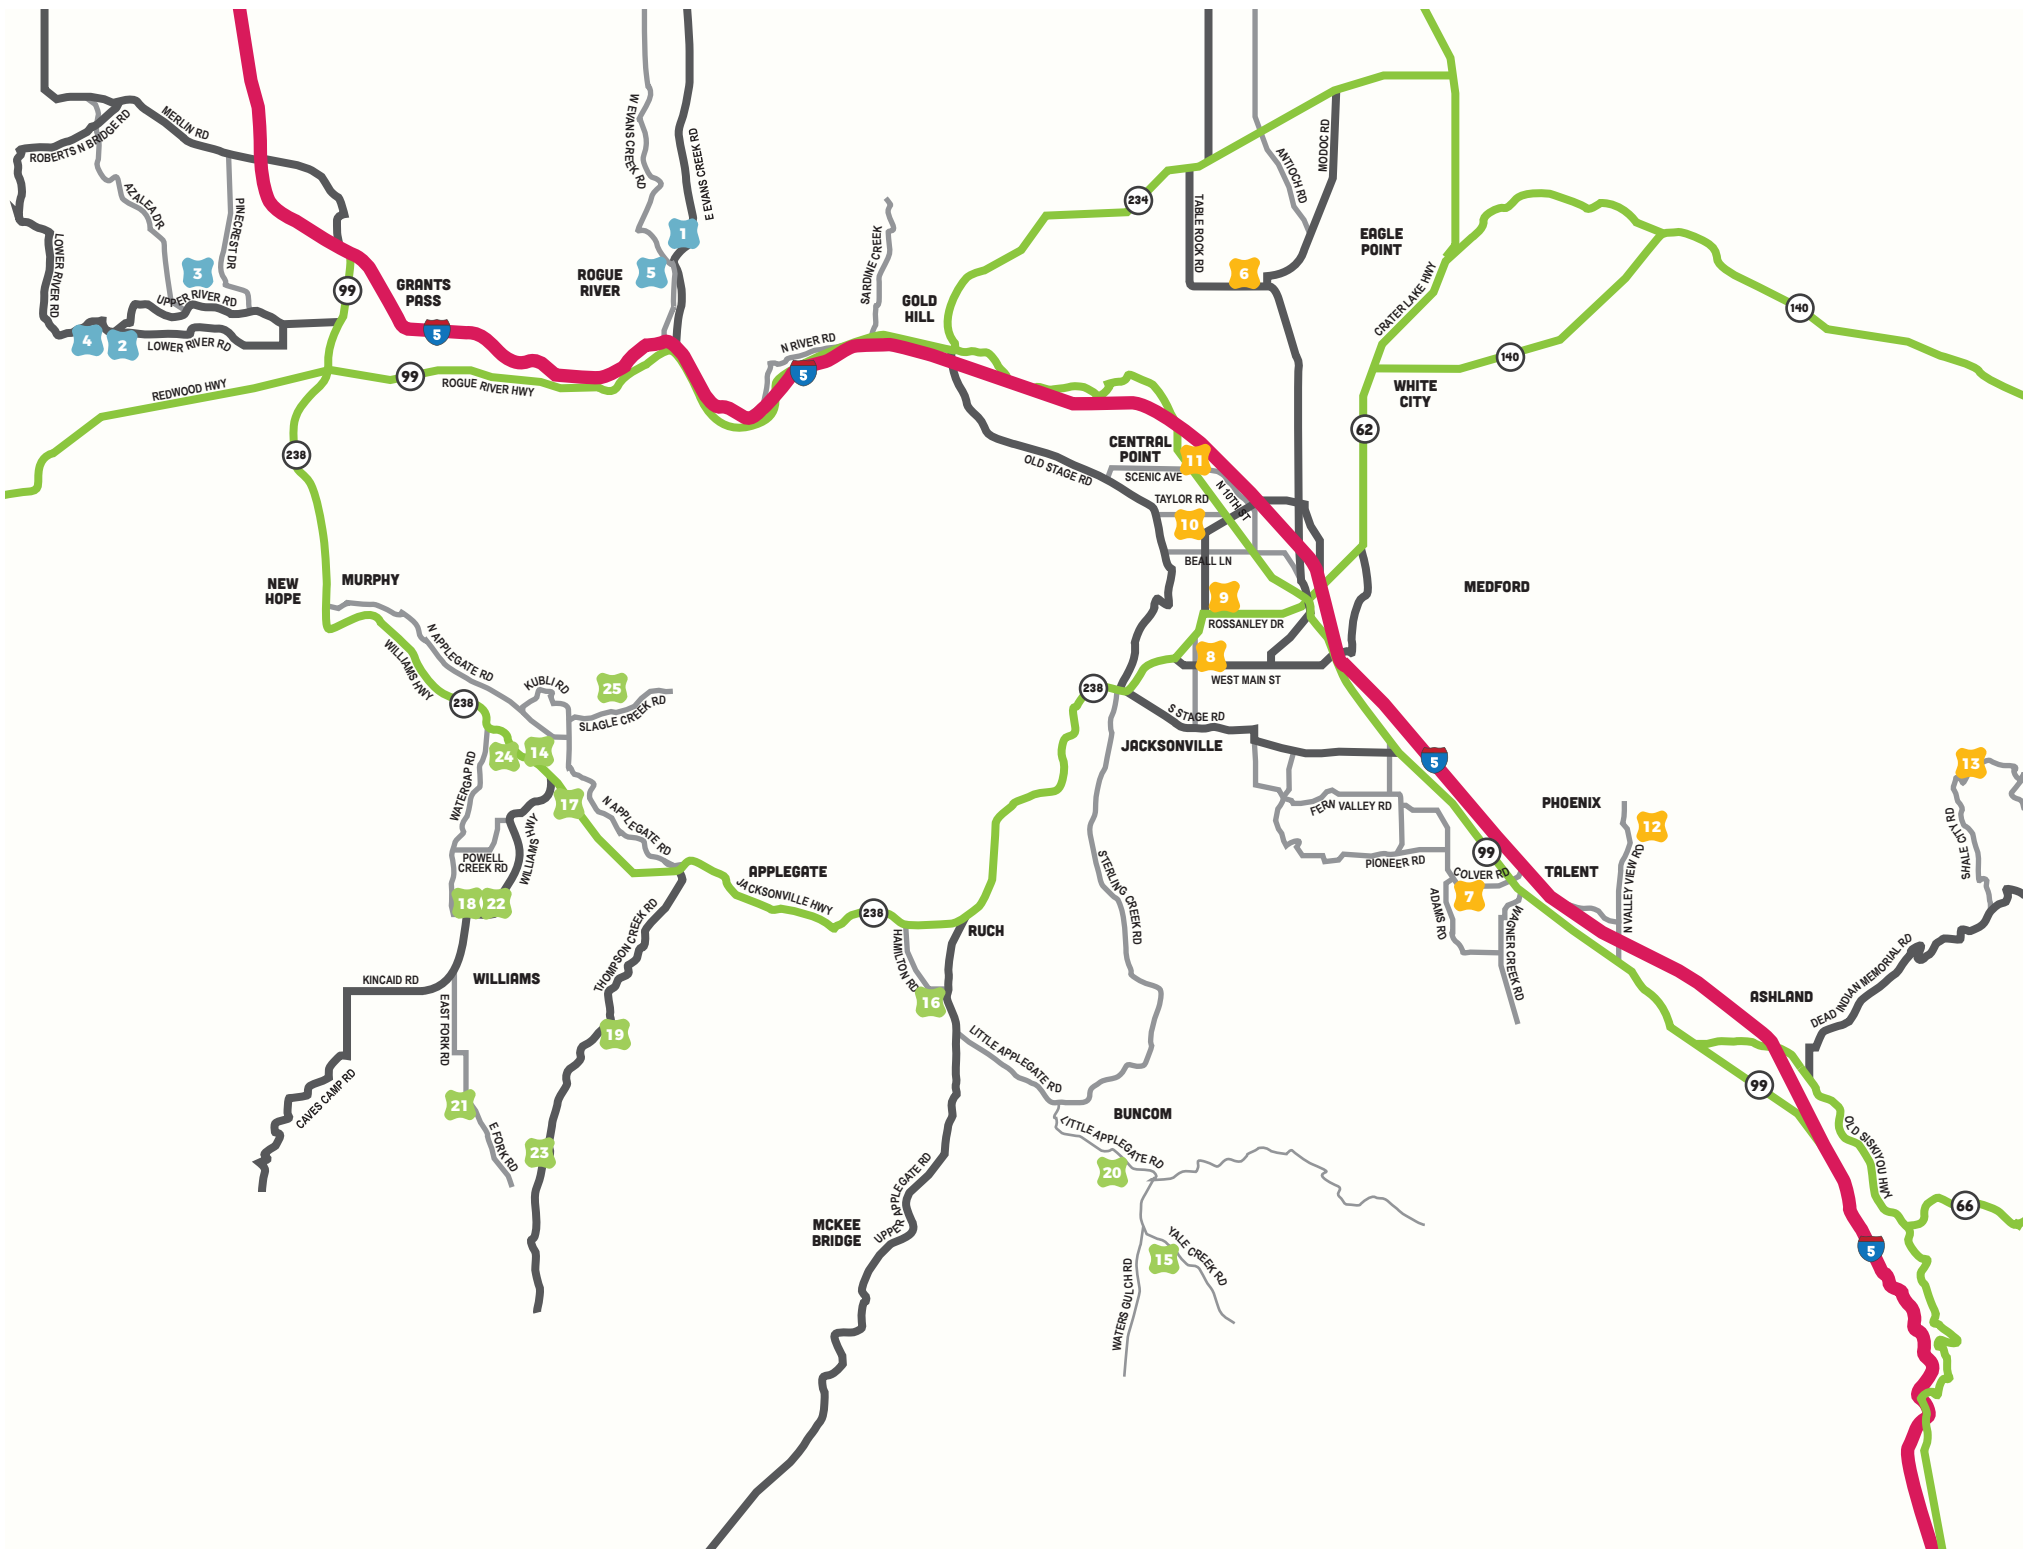

Swing by your local food co-op for snacks and drinks.

For accessibility concerns, please contact the farmer directly.

Meet your local farmers, discover the roots of good food, and learn about the rich soils that nourish and strengthen our community!
