This unusual site has been the subject of urban legends as well as Berkeley Breathed's book, "Red Rider Came Calling." An evergreen tree has grown around an abandoned child's bicycle and lifted it about 6' or 7' off the ground.

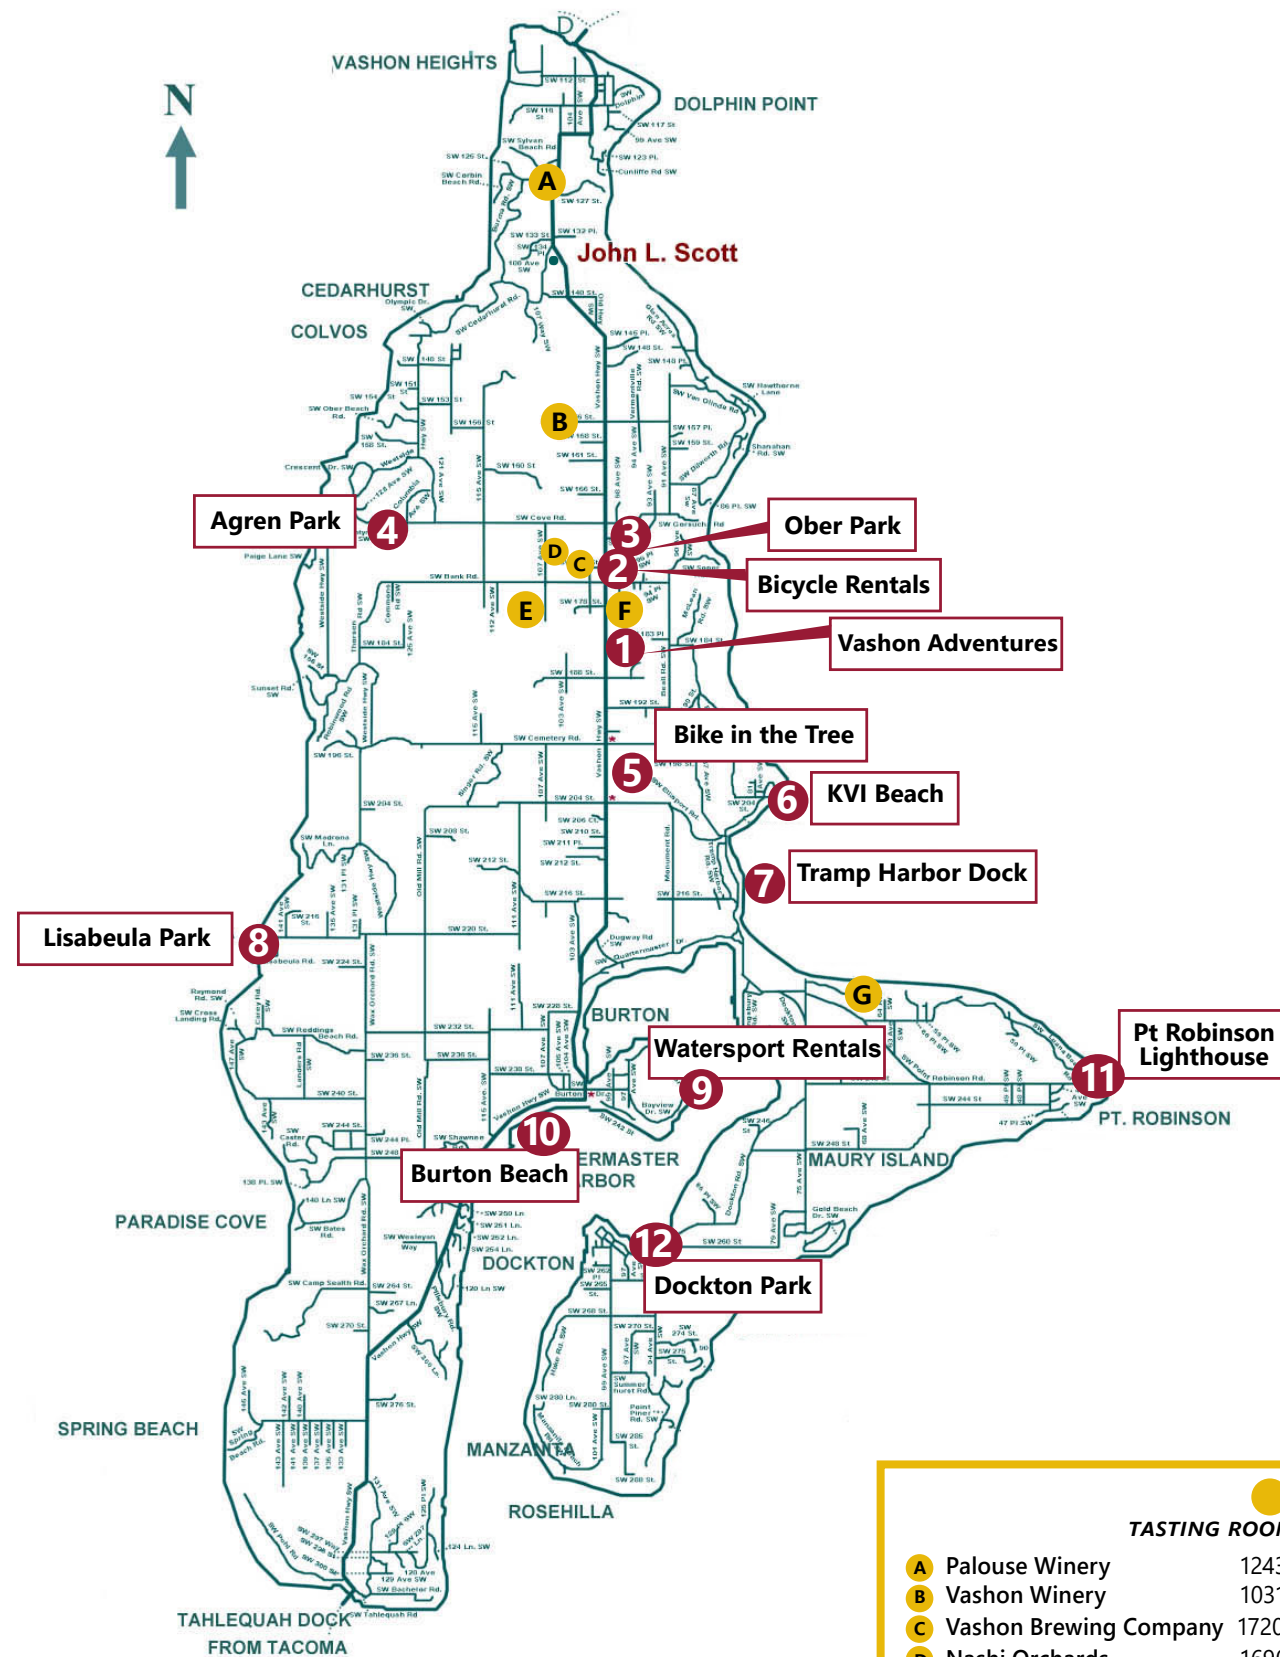

Follow Vashon Hwy SW. Just north of the intersection at Vashon Hwy and SW 204th Street is a one-story building on the east. To the left (north) of the building is the entry to a trail into the woods. The bike is a short walk in on this trail.
